Surrounded by
Failures of your past
And you wonder how
This tragedy could last
You hear his voice calling out to you
He wants to show you exactly what to do

Chorus:
He keeps calling- calling
Calling your name
Put on your garments of praise

Rise up Zion call his holy name
Rise up Zion He'll show you Victory in praise

Let us praise God our provider
For he meets our every need
Lets rejoice in His salvation
Come on and worship His Holy name

He Did It for Me

© 1999 Nashon Fondren/Promisechild Publishing/ASCAP

I'm Standing here in the rain
Covered in tears of my shame
Living in the land of the lost
Didn't know He paid the cost

Yes He died- For me

I didn't know that He loved
For my soul He came from above
Suffered and died for me to be free
Through His blood I'm made free

Yes He died - For me

I'm so glad he gave his life for you and I to be free
He did it for me

Standing with your heart in the cold
You're in misery cause what you've been told
Disgruntal, unhappy your eyes filled with tears
Wondering if the pain will end after all these years

Yes He died- For me

I'm so glad that He gave His life for you and I to be free

He gave his life for you and I
With the plan that He would wipe weeping eyes
Through his love He showed you and me
That one day we could with Him be eternally

Hung with nails in His feet and in his hand
Oh He hung there at God's command

The blood he shed washes clean
The stripes he endured our bodies they heal

He did it for me
repeat

How Can I Let You

© 2002 Nashon Fondren/Promisechild Publishing/ASCAP

Verse:

Tried to live on my own
The greatest plans were never wrong
Not thinking of leaving you
I need you to make it through

Chorus:

How can I let you go
When only you can bless my soul
I won't let go despite my pain

From this struggle I will grow
While in your hands I know
I could never let you go

Verse:

Faced with an awkward situation
Filled with anticipation
Of the pain I once knew

Fear of the unknown fills me
Yet I've got to walk this journey
I know I can make it as long as I stand with you

Repeat chorus:

Bridge

Loved ones I've sent away
The line is drawn, I'm here to stay
My future is found in you

I'm alone it is clear to me
To fight for you is how it must be
I can not let go, I will not let go

In His Arms

© 2002 Nashon Fondren/Promisechild Publishing/ASCAP

Lead: through his grace, through his love
Salvation comes from up above
It's here for me to receive from him
He supplies my need with everything

I know that with him I'm assured my rest
Cause of a sacrifice that was his best
I know that I'm his in his arms

Now I lay me down in peace
My precious soul, he will keep
If I should die before I wake I pray that I would be
Found in his arms
I know that with him
I'm assured my rest
Cause of a sacrifice that was his best
I know that I'm his in his arms
I've got peace, in his arms
I've got deliverance, in his arms
I've got joy, unspeakable full glory
I believe that the storms in my life
Cannot cause me to waiver, because I know
That I'm safe in his arms

He Forgives And Forgets

© 2002 Dana L. Reed/Dana Reed Music/ASCAP

We've all made mistakes
And have had to face
Someone who would not forget
Though you beg them pardon
They just won't let it go
They say you'll always owe

Yes I must confess
Though I try my best
Some memories haunt me now and then
How can I be happy
When deep inside I'm told
The pain will only grow

Chorus
He forgives and forgets
He's not like the rest
He forgives and forgets
I'm so glad He died to pay my debt
Why should I be disturbed
When He said in His word
The things that we remember
He forgets

Only Jesus knows
What can soothe the soul
When guilt has settled
If you're feeling lonely
And the pressure's worn you down
You can find peace in Him

Chorus

Bridge
Ohh, ohh
They're all gone

Chorus 2X

Jesus I Love You the More

© 2002 Nashon Fondren/Promisechild Publishing/ASCAP

Jesus, I love you the more
Jesus, I love you the more
You died on calvary, to set my soul free
My soul was lost, you paid the cost
You died so I could love eternally

And for this, I'll love you the more
Jesus I love you the more

Jesus, I love you the more
Jesus, I love you the more
You died on calvary, to set my soul free
My soul was lost, you paid the cost
so I could love eternally

And for this, I'll love you the more
Jesus I love you the more

You gave, You loved, You bleed, You died,
You forgave, You saved
And for this I'll love you the more
Jesus I love you, Jesus I love you
Jesus I love you, Jesus I love you
Repeat.
Jesus I love you the more.

How Much You Love Me

© 2002 Nashon Fondren/Promisechild Publishing/ASCAP

Stubbornly insist
That its my way or no way
Can't ignore the fact
There is emptiness in what I do

Failed to realize
You've provided all that I need
Your love that is for me
Will last through eternity

Now I realize, How much you love me

Thinking over and over
Of the sacrifice you made for me
It is so amazing
How much you suffered for me

Your love has extended through time
To touch me

Now I realize , How much you love me

Now I realize (repeat)
Just how much you love me
How much you cared for me
After all this time I clearly see
Without you there is no me
Now I realize, How much you love me

Invited me to life sublime
Giving me joy , great peace of mind
A friend that is good to me
Better than I could ever be

Now I realize how much you love me
